

Comparing SeniorCare to the Medicare Discount Card Plans

Your Annual Gross Income	SeniorCare Deductible	SENIORCARE OR MEDICARE DISCOUNT CARD
0 - \$14,896 (single) 0 - \$19,984 (couple)	\$0	SeniorCare is a better choice.
\$14,897 - \$18,620 (single) \$19,985 - \$24,980 (couple)	\$500	SeniorCare is a better choice.
\$18,621 - \$22,344 (single) \$24,981 - \$29,976 (couple)	\$850	SeniorCare is a better choice.
\$22,345+ (single) \$29,977+ (couple)	\$850 with SeniorCare spenddown	<p>If your expected annual drug cost is under \$850: Medicare Drug Discount Card may be a better choice but you may also enroll in <u>SeniorCare for full drug coverage</u>.</p> <p style="text-align: center;">Or,</p> <p>If your expected annual drug cost is over \$850: SeniorCare is probably the better choice.</p>

Your individual situation may vary from the recommendations included in the table above. Contact your local elderly benefit specialist or county or tribal aging unit if you have concerns about which program might be best for you. For more information about your SeniorCare benefits, please call the SeniorCare customer service hotline at 1-800-657-2038.
